

Before the  
Federal Communications Commission  
Washington, DC 20554

In the matter of :

MB Docket 05-248  
RM-11262

Amendment of Section 73.202 (b)  
Table of Allotments  
FM Broadcast Stations  
(Midway, Falmouth, Owingsville, KY  
and West Portsmouth, OH)

Owingsville, KY 107.7Mhz (299A) and 106.9Mhz (294A)

**Counter Proposal**

WRHX-LP is one of two LPFM radio stations that would have been forced out of business and off the air had the Midway power increase been granted.

We are now requesting that the Federal Communications Commission allot a second channel for Owingsville, KY so that we may continue to serve the people of Northern Kentucky with WRHX programming.

We propose that the table of allocations be changed only in that channel 294A (106.9 Mhz) be added to Owingsville, KY so that we (RGS Communications, Inc.) may apply for and build a new radio station in that community.

Respectfully submitted,
